Ship Rules Reference

FLEET RULES

No fleet rules are currently entered for this fleet.

TRAITS AND WEAPON RULES

Advanced Jump Engine — When this ship enters realspace, its jump point does not deviate and it may act normally that turn. A jump point created in realspace may be placed in any fire arc. Other arriving ships may act normally only if they also have Advanced Jump Engine.

Anti-Fighter — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn.

Flight Computer — Crew Quality can never fall below 4. The ship ignores all penalties for being reduced to a Skeleton Crew, except that Troops are still halved and Fleet Carrier is still lost.

Super AP — Add +2 to every Attack Dice result rolled for this weapon.

Triple Damage — Triple all Damage caused. A Bulkhead Hit still causes at least 1 point of Damage.
