TRAITS AND WEAPON RULES

Breaching Pod — Counts as a Fighter but automatically loses any Dogfight, cannot make planetary assaults, and cannot act as an interceptor. It carries one Troop; after moving into base contact with a ship or station, that Troop fights first in the boarding action.

Dodge — Whenever the ship suffers a hit, roll one die. If the result equals or exceeds its Dodge score, ignore the attack completely. A ship that is Adrift, unable to move, or did not move in the Movement Phase cannot use Dodge. Dodge does not protect against Energy Mines or Jump Points.
