FLEET RULES

No fleet rules are currently entered for this fleet.

TRAITS AND WEAPON RULES

Anti-Fighter — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn.

Lumbering — The ship may make only one turn during its movement, regardless of the number of turns shown in its profile.

Weak — Apply -1 to every Attack Dice result rolled for this weapon.
