Ship Rules Reference

SHIP NAME _____

FLEET RULES

No fleet rules are currently entered for this fleet.

TRAITS AND WEAPON RULES

Anti-Fighter — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn.

Double Damage — Double all Damage caused, including bonus Damage from Critical Hits. A Bulkhead Hit still causes 1 point of Damage.

Interceptors — Against the first incoming hit of the turn, roll a number of dice equal to the Interceptor score; any result of 2+ cancels that hit. Successful dice are rolled against the next hit needing 3+, then 4+, and so on. Failed dice are discarded. Once the required number reaches 6+, it remains 6+ for the rest of the turn. Interceptors refresh at the start of the next turn.

Lumbering — The ship may make only one turn during its movement, regardless of the number of turns shown in its profile.

Triple Damage — Triple all Damage caused. A Bulkhead Hit still causes at least 1 point of Damage.
