Initiative: +0

Ship Rules Reference

SHIP NAME _____

FLEET RULES

- Super Manoeuvrability** — A Vree ship may move less than half its Speed. When it does, it may move as though it had the Super Manoeuvrable trait.
- Telepathy** — All Vree receive +1 on Crew Quality checks. Vree telepaths cannot disrupt Shadow vessels.

TRAITS AND WEAPON RULES

- Anti-Fighter** — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn.

Double Damage — Double all Damage caused, including bonus Damage from Critical Hits. A Bulkhead Hit still causes 1 point of Damage.
- Jump Engine** — The ship may use the Initiate Jump Point! Special Action to enter or leave hyperspace. Follow the hyperspace and jump-point rules when placing the jump point, checking for deviation, and moving ships through it.

Super AP — Add +2 to every Attack Dice result rolled for this weapon.

Twin-Linked — Any Attack Dice from this weapon that fail to hit may be re-rolled.
