Ship Rules Reference

FLEET RULES	
Fighter Replacements — Any ship carrying one or more Falkosi flights may replace any number of them with Pikatos flights or Breaching Pods. Breaching Pods taken this way carry one Troop from the parent ship and do not include Troops of their own.	
TRAITS AND WEAPON RULES	
Anti-Fighter — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn. AP — Add +1 to every Attack Dice result rolled for this weapon.	Gravitic Shifter — This weapon has no Attack Dice. Nominate an enemy in range and arc, then make opposed Crew Quality checks. If the attacker wins, the target may immediately be turned up to 45 degrees in either direction. Twin-Linked — Any Attack Dice from this weapon that fail to hit may be re-rolled.
