Ship Rules Reference

FLEET RULES	
Aggression — Drazi receive +1 on Crew Quality checks for Give Me Ramming Speed! and Stand Down and Prepare to be Boarded!, whether they are initiating or resisting the action. Fighter Replacements — Any ship carrying one or more Star Snake flights may replace any number of them with Breaching Pods. Breaching Pods taken this way carry one Troop from the parent ship and do not include Troops of their own. Sky Hook Catapult — When a ship deploys Sky Serpents, place them up to 8 inches away in its Fore arc. Star Snakes deploy normally. Tactics — Quick & Decisive — The Drazi Initiative bonus is +2 when the fleet is the attacker. It is +1 when the fleet is the defender or when the scenario does not specify an attacker and defender.	
TRAITS AND WEAPON RULES	
Agile — The ship need only move one quarter of its Speed in a straight line before making its first turn, and only 1 inch before making each subsequent turn.	Weak — Apply -1 to every Attack Dice result rolled for this weapon.
