DARKHAWK-CLASS MISSILE CRUISER (SUNHAWK VARIANT)

Initiative: +1/+2

Ship Rules Reference

FLEET RULES

**Aggression** — Drazis receive +1 on Crew Quality checks for Give Me Ramming Speed! and Stand Down and Prepare to be Boarded!, whether they are initiating or resisting the action.

**Fighter Replacements** — Any ship carrying one or more Star Snake flights may replace any number of them with Breaching Pods. Breaching Pods taken this way carry one Troop from the parent ship and do not include Troops of their own.

**Sky Hook Catapult** — When a ship deploys Sky Serpents, place them up to 8 inches away in its Fore arc. Star Snakes deploy normally.

**Tactics — Quick & Decisive** — The Drazis Initiative bonus is +2 when the fleet is the attacker. It is +1 when the fleet is the defender or when the scenario does not specify an attacker and defender.

TRAITS AND WEAPON RULES

**Agile** — The ship need only move one quarter of its Speed in a straight line before making its first turn, and only 1 inch before making each subsequent turn.

**Atmospheric** — This ship may enter a planetary atmosphere and take part in planetary assaults, including attacking ground targets and landing troops where the relevant rules allow.

**Beam** — This weapon always hits on a roll of 4 or more, regardless of Hull. Each successful Attack Dice is rolled again and may continue scoring additional hits while it keeps rolling 4 or more. Beam weapons ignore Interceptors and may split fire only between targets within 4 inches of one another.

**Dodge** — Whenever the ship suffers a hit, roll one die. If the result equals or exceeds its Dodge score, ignore the attack completely. A ship that is Adrift, unable to move, or did not move in the Movement Phase cannot use Dodge. Dodge does not protect against Energy Mines or Jump Points.

**Precise** — Add +1 to every roll made on the Attack Table for this weapon.

**Slow-Loading** — This weapon may fire only every other turn. If it fails to lock on to a Stealth target, it does not count as fired.

**Super AP** — Add +2 to every Attack Dice result rolled for this weapon.
