Ship Rules Reference

FLEET RULES	
Aggression — Drazi receive +1 on Crew Quality checks for Give Me Ramming Speed! and Stand Down and Prepare to be Boarded!, whether they are initiating or resisting the action. Fighter Replacements — Any ship carrying one or more Star Snake flights may replace any number of them with Breaching Pods. Breaching Pods taken this way carry one Troop from the parent ship and do not include Troops of their own. Sky Hook Catapult — When a ship deploys Sky Serpents, place them up to 8 inches away in its Fore arc. Star Snakes deploy normally. Tactics — Quick & Decisive — The Drazi Initiative bonus is +2 when the fleet is the attacker. It is +1 when the fleet is the defender or when the scenario does not specify an attacker and defender.	
TRAITS AND WEAPON RULES	
Anti-Fighter — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn. Beam — This weapon always hits on a roll of 4 or more, regardless of Hull. Each successful Attack Dice is rolled again and may continue scoring additional hits while it keeps rolling 4 or more. Beam weapons ignore Interceptors and may split fire only between targets within 4 inches of one another. Carrier — The ship may launch or recover a number of fighter flights in a turn equal to its Carrier score, instead of the normal limit of one flight.	Command — While this ship is on the table and is neither Crippled nor reduced to a Skeleton Crew, add its Command score to the fleet's Initiative. Command bonuses are not cumulative. Double Damage — Double all Damage caused, including bonus Damage from Critical Hits. A Bulkhead Hit still causes 1 point of Damage. Jump Engine — The ship may use the Initiate Jump Point! Special Action to enter or leave hyperspace. Follow the hyperspace and jump-point rules when placing the jump point, checking for deviation, and moving ships through it. Twin-Linked — Any Attack Dice from this weapon that fail to hit may be re-rolled.
