Ship Rules Reference

FLEET RULES
Fighter Replacements — Any ship carrying one or more Frazi flights may replace any number of them with Gorith flights or Breaching Pods. Breaching Pods taken this way carry one Troop from the parent ship and do not include Troops of their own. Fighting Centauri — Narn vessels will never surrender to the Centauri and are immune to effects that would require them to surrender to Centauri vessels, including Stand Down and Prepare to be Boarded!

TRAITS AND WEAPON RULES	
AP — Add +1 to every Attack Dice result rolled for this weapon. Energy Mine — Choose a point in range and in the weapon's fire arc. Every object within 3 inches is attacked automatically. The attack ignores Interceptors and Dodge, converts all Critical Hits to Solid Hits, and may not be split. Precise — Add +1 to every roll made on the Attack Table for this weapon.	Slow-Loading — This weapon may fire only every other turn. If it fails to lock on to a Stealth target, it does not count as fired. Super AP — Add +2 to every Attack Dice result rolled for this weapon. Triple Damage — Triple all Damage caused. A Bulkhead Hit still causes at least 1 point of Damage.
