Ship Rules Reference

FLEET RULES

No fleet rules are currently entered for this fleet.

TRAITS AND WEAPON RULES

Advanced Jump Engine — When this ship enters realspace, its jump point does not deviate and it may act normally that turn. A jump point created in realspace may be placed in any fire arc. Other arriving ships may act normally only if they also have Advanced Jump Engine.

AP — Add +1 to every Attack Dice result rolled for this weapon.

Flight Computer — Crew Quality can never fall below 4. The ship ignores all penalties for being reduced to a Skeleton Crew, except that Troops are still halved and Fleet Carrier is still lost.

Gravitic Energy Grid — Reduce the total Damage and Crew loss caused by each separate weapon attack by the Gravitic Energy Grid score. Damage and special effects from Critical Hits are never reduced.

Twin-Linked — Any Attack Dice from this weapon that fail to hit may be re-rolled.
