| <p><b>Super Manoeuvrability</b> — A Vree ship may move less than half its Speed. When it does, it may move as though it had the Super Manoeuvrable trait.</p> <p><b>Telepathy</b> — All Vree receive +1 on Crew Quality checks. Vree telepaths cannot disrupt Shadow vessels.</p>                                                                                                                                                     |                                                                                                                                                                                                                                                                                                                                     |
| TRAITS AND WEAPON RULES                                                                                                                                                                                                                                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                     |
| <p><b>Anti-Fighter</b> — When an enemy fighter flight moves into base contact, roll a number of Attack Dice equal to the Anti-Fighter score before the dogfight is resolved. Each die that rolls 4 or more destroys the fighter flight. Anti-Fighter may be used once per turn.</p> <p><b>Double Damage</b> — Double all Damage caused, including bonus Damage from Critical Hits. A Bulkhead Hit still causes 1 point of Damage.</p> | <p><b>Jump Engine</b> — The ship may use the Initiate Jump Point! Special Action to enter or leave hyperspace. Follow the hyperspace and jump-point rules when placing the jump point, checking for deviation, and moving ships through it.</p> <p><b>Super AP</b> — Add +2 to every Attack Dice result rolled for this weapon.</p> |
